E. Lachacinski
Summary of Facts and Submissions

I. The appeal contests the interlocutory decision of the Opposition Division of the European Patent Office dated 23 January 2002 concerning maintenance of European patent No. 0 719 718 in amended form.

The appellant (opponent) filed a notice of appeal on 2 April 2002 and paid the fee for appeal on the same day.

No statement of grounds was filed. The notice of appeal contains nothing that could be regarded as a statement of grounds pursuant to Article 108 EPC.

II. By a communication dated 16 July 2002 sent by registered letter with advice of delivery, the registry of the Board informed the appellant that no statement of grounds had been filed and that the appeal could be expected to be rejected as inadmissible. The appellant was invited to file observations within two months. Attention was also drawn to Article 122 EPC.

III. No answer has been given to the registry's communication.

Reasons for the Decision

As no written statement setting out the grounds of appeal has been filed, the appeal has to be rejected as inadmissible (Rule 65(1) EPC in conjunction with Article 108 EPC).
Order

For these reasons it is decided that:

The appeal is rejected as inadmissible.

The Registrar: The Chairman:

D. Spigarelli A. Burkhart
