Decision under appeal: Decision of the Opposition Division of the European Patent Office posted 18 November 2008 rejecting the opposition filed against European patent No. 0896555 pursuant to Article 102(2) EPC.

Composition of the Board:
Chairman: P. Kitzmantel
Members: N. Perakis
M-B. Tardo-Dino
Summary of Facts and Submissions

I. This case relates to the decision of the Opposition Division announced orally on 8 October 2008 and issued in writing on 18 November 2008 concerning the rejection of the opposition filed against European Patent No. 0 896 555.

The Appellant (Opponent) filed a notice of appeal on 26 January 2009, paid the appeal fee on the same day, and announced the filing of the grounds of appeal in due course.

However, no statement setting out the grounds of appeal was filed within the time-limit set by Article 108 EPC.

II. By a communication dated 8 May 2009, sent by registered letter with advice of delivery, the Registry of the Board informed the Appellant that no statement of grounds had been filed and that the appeal could be expected to be rejected as inadmissible. Attention was also drawn to Rule 101(1) EPC and to Article 108 EPC. The Appellant was invited to file observations within two months.

III. No reply was received within this time-limit.
Reasons for the Decision

As no written statement setting out the grounds of appeal has been filed and the Appellant has not reacted within the time-limit given in the communication issued by the Registry, the appeal is considered inadmissible pursuant to Article 108 EPC in conjunction with Rules 99(2) and 101(1) EPC.

Order

For these reasons it is decided that:

The appeal is rejected as inadmissible.

The Registrar: The Chairman:

G. Röhn P. Kitzmantel
