Decision under appeal: Decision of the Opposition Division of the
European Patent Office posted on 26 March 2012
rejecting the opposition filed against European
patent No. 1852496 pursuant to Article 101(2)
EPC.

Composition of the Board:
Chairman: B. Czech
Members: P. Ammendola
J. Geschwind
Summary of Facts and Submissions

I. The appeal is directed against the decision of the Opposition Division of 26 March 2012.

II. The appellants filed a notice of appeal on 15 May 2012 and paid the appeal fee on the same day.

III. By communication of 14.11.2012, received by the appellants, the Registry of the Board informed the appellants that it appeared from the file that the written statement of grounds of appeal had not been filed, and that it was therefore to be expected that the appeal would be rejected as inadmissible pursuant to Article 108, third sentence, EPC in conjunction with Rule 101(1) EPC. The appellants were informed that any observations had to be filed within two months of notification of the communication.

IV. No reply was received.

Reasons for the Decision

No written statement setting out the grounds of appeal was filed within the time limit provided by Article 108, third sentence, EPC in conjunction with Rule 126(2) EPC. In addition, neither the notice of appeal nor any other document filed contains anything that could be regarded as a statement of grounds pursuant to Article 108 EPC and Rule 99(2) EPC. Therefore, the appeal has to be rejected as inadmissible (Rule 101(1) EPC).
Order

For these reasons it is decided that:

The appeal is rejected as inadmissible.

The Registrar: The Chairman:

D. Magliano B. Czech
